JOE S. MUNDY GLOBAL LEARNING EXPERIENCE ENDOWMENT
INDIVIDUAL/GROUP APPLICATION FORM

PROGRAM OVERVIEW

The Joe S. Mundy Global Learning Experience Endowment was established to allow selected students in the School of Civil and Environmental Engineering (CEE) at the Georgia Institute of Technology the opportunity to participate in an international learning experience during your enrollment. The objective of the global learning experience is to provide an opportunity for you to engage in educational and cultural experiences that increase your potential to be a leader in a global community. You may utilize the mundy experience endowment only once during your enrollment. Please see the application packet for requirements and further information.
