

# **Nadia A. and Robert W. Tyson Study Abroad Fund**

## **Program Overview**

The Nadia A. and Robert W. Tyson Study Abroad Fund supports civil and environmental engineering students who are planning to study abroad or pursue an internship abroad for a full semester.

## **Eligibility**

- 1) Undergraduates pursuing a degree in the School of Civil and Environmental Engineering.
- 2) U.S. citizen.
- 3) Participating in a study abroad program or internship abroad, preferably spanning the duration of one academic semester.
- 4) Involved in one of the following organizations:
  - Baptist Student Union
  - Catholic Center
  - Episcopal Campus Ministries
  - Lutheran Campus Ministries
  - Wesley Foundation

## **Requirements**

- A completed application with an itemized budget of expected costs
- An essay detailing specific study abroad or work plans and the expected outcomes of the experience
- If applicable, proof of the internship, such as a letter of support or offer letter
- A final report that provides details about the work experience along with photos. Reports are due 30 days after the completion of your internship or study abroad semester.

Please Note: Submitting an application does not guarantee funding.

## **Deadlines and Review Process**

Applications for spring semester funding are due October 1.

Applications for summer semester funding are due March 1.

Applications for fall semester funding are due June 1.

Application review generally takes four weeks from the deadline, so you should expect decisions early the following month.

**Once completed, application packages must be emailed as a single PDF file to [global@ce.gatech.edu](mailto:global@ce.gatech.edu). Please include Tyson Study Abroad Fund Application in the subject line.**
