

We are Civil and Environmental Engineering at Georgia Tech

creative realists who design at the intersection of people, nature and civilization.

global citizens and pragmatic leaders improving the earth at our feet.

entrepreneurs and strategists defining public policy and the future of sustainability.

innovative optimists dedicated to solving problems and improving the human condition.

Since 1898, we are CEEATGT.

Are you?

No. 2

Undergraduate civil engineering program

No. 4

Undergraduate environmental engineering program

No. 2

Graduate civil engineering program

No. 5

Graduate environmental engineering program

No. 5

Annual return on investment (in-state)

No. 8

Public university in the US

1,109 students

43% women

20% minority

35% international

19:1 students-to-faculty

12 student organizations

\$4M study abroad fund

10% job growth by 2026

90% undergraduate job placement rate upon graduation

97% freshmen retention rate across Georgia Tech

BE HAPPY: Engineers have the happiest job in the world, according to an analysis by The Guardian. It's no wonder – every morning our graduates get to wake up and reshape communities here and abroad. From tech startups to Fortune 500s, medicine to law, NGOs to NASA, CEEatGT alumni are designing our future and making the world a better place.

Let's talk options

BS

CIVIL ENGINEERING with optional tracks: Construction Engineering, Environmental and Water Systems, Geotechnical Systems, Structural Systems, or Transportation Systems

ENVIRONMENTAL ENGINEERING

- + CO-OP, INTERNSHIP, WORK ABOARD
- + RESEARCH OPTION
- + INTERNATIONAL PLAN
- + REGENTS' ENGINEERING TRANSFER PROGRAM

BS/MS

Start taking graduate courses in your senior year and earn both bachelor's and master's degrees in just one extra year.

MS + PhD

CIVIL ENGINEERING
ENVIRONMENTAL ENGINEERING
ENGINEERING SCIENCE & MECHANICS
BIOENGINEERING
COMPUTATIONAL SCIENCE & ENGINEERING
OCEAN SCIENCE & ENGINEERING

Study abroad, on us

with the Mundy Global Learning Endowment

- \$4M** CEEatGT travel scholarship fund
- \$3K** Average funding per student
- 6** continents + **60+** countries visited
- 280+** students funded (60+ just last year!)
- 64%** of engineering undergrads study abroad

Global Engineering Leadership Minor

that offers major career benefits

Our new minor equips you to become a global citizen fluent in problem-solving, leadership, ethical decision-making, and the engineering grand challenges. BOGO: The minor also satisfies the requirements for the Grand Challenges Scholar Program!

GEORGIA TECH

Welcome to one Helluva college experience.

- No. 1** Corporate Recruiters Ranking for Engineering
- No. 1** Largest co-op program in the US
- No. 5** Annual in-state ROI in the US
- No. 8** Best Public Universities by Salary Potential
- \$824M** R&D expenditures
- 60%** of invention disclosures list a student
- 61%** of students receive financial aid
- 220,000 ft²** Learning Commons open 24/7/365
- 15,000 ft²** fitness center
- 400+** student organizations
- 50+** Greek organizations
- 43** student sports clubs
- 400-acre** campus

ATLANTA

Your new backyard: The city in a forest.

- No. 1** US city for engineers
- No. 1** busiest airport in the world
- No. 2** US city for entrepreneurial activity
- No. 3** US city with Fortune 500 companies
- No. 4** America's best cities for foodies
- No. 9** Forbes' best places for business & careers
- No. 9** America's most cultured cities
- No. 14** Healthiest cities in America
- No. 19** America's greenest cities
- No. 20** America's best music cities
