We are Civil and Environmental Engineering at Georgia Tech

creative realists who design at the intersection of people, nature and civilization.
global citizens and pragmatic leaders improving the earth at our feet.
entrepreneurs and strategists defining public policy and the future of sustainability.
innovative optimists dedicated to solving problems and improving the human condition.
Since 1898, we are CEEatGT. Are you?

1,036 students
52% women
20% minority
35% international
20:1 students-to-faculty
12 student organizations
$4M study abroad fund
90% undergraduate job placement rate upon graduation
97% freshmen retention rate across Georgia Tech

No. 2 Undergraduate civil engineering program
No. 4 Undergraduate environmental engineering program
No. 3 Graduate civil engineering program
No. 5 Graduate environmental engineering program
No. 1 Annual return on investment (in-state)
No. 8 Public university in the US

1 in 10 CEEatGT alumni serve as a company founder, CEO, or president
12,000+ living alumni

BE HAPPY: Engineers have the happiest job in the world, according to an analysis by The Guardian. It’s no wonder – every morning our graduates get to wake up and reshape communities here and abroad. From tech startups to Fortune 500s, medicine to law, NGOs to NASA, CEEatGT alumni are designing our future and making the world a better place.

Let’s talk options

BS
CIVIL ENGINEERING with optional tracks: Construction Engineering, Environmental and Water Systems, Geotechnical Systems, Structural Systems, or Transportation Systems

ENVIRONMENTAL ENGINEERING
+ CO-OP, INTERNSHIP, WORK ABOARD
+ RESEARCH OPTION
+ INTERNATIONAL PLAN
+ REGENTS’ ENGINEERING TRANSFER PROGRAM

BS/MS
Start taking graduate courses in your senior year and earn both bachelor’s and master’s degrees in just one extra year.

MS + PhD
CIVIL ENGINEERING
ENVIRONMENTAL ENGINEERING
ENGINEERING SCIENCE & MECHANICS
BIOENGINEERING
COMPUTATIONAL SCIENCE & ENGINEERING
OCEAN SCIENCE & ENGINEERING

Study abroad, on us
with the Mundy Global Learning Endowment
$4M CEEatGT travel scholarship fund
$3K Average funding per student
6 continents + 60+ countries visited
326+ students funded
64% of engineering undergrads study abroad

Global Engineering Leadership Minor
that offers major career benefits
Our new minor equips you to become a global citizen fluent in problem-solving, leadership, ethical decision-making, and the engineering grand challenges. BOGO: The minor also satisfies the requirements for the Grand Challenges Scholar Program!

Georgia Tech
Welcome to one Helluva college experience.
No. 1 Annual in-state ROI in the US
No. 8 Best Public Universities by Salary Potential
$842M R&D expenditures
60% of invention disclosures list a student
220,000 ft² Learning Commons open 24/7/365
15,000 ft² fitness center
400+ student organizations
50+ Greek organizations
43 student sports clubs
400-acre campus

Atlanta
Your new backyard: The city in a forest.
No. 1 city for availability of internships
