We are Civil and Environmental Engineering at Georgia Tech

creative realists who design at the intersection of people, nature and civilization.
global citizens and pragmatic leaders improving the earth at our feet.
entrepreneurs and strategists defining public policy and the future of sustainability.
innovative optimists dedicated to solving problems and improving the human condition.

Since 1898, we are CEEATGT. Are you?

No. 2 Undergraduate civil engineering program
No. 2 Undergraduate environmental engineering program
No. 2 Graduate civil engineering program
No. 5 Graduate environmental engineering program
No. 5 Annual return on investment (in-state)
No. 7 Public university in the US

1 in 10 CEEatGT alumni serve as a company founder, CEO, or president

11,000+ living alumni

1,149 students
43% women
19% minority
32% international
21:1 students-to-faculty
11 student organizations
$4M study abroad fund
10% job growth by 2024
90% undergraduate job placement rate upon graduation
97% freshmen retention rate across Georgia Tech

BE HAPPY: Engineers have the happiest job in the world, according to an analysis by The Guardian. It’s no wonder – every morning our graduates get to wake up and reshape communities here and abroad. From tech startups to Fortune 500s, medicine to law, NGOs to NASA, CEEatGT alumni are designing our future and making the world a better place.

Let’s talk options

**BS**

**CIVIL ENGINEERING** with optional tracks: Construction Engineering, Environmental and Water Systems, Geotechnical Systems, Structural Systems, or Transportation Systems

**ENVIRONMENTAL ENGINEERING**

+ CO-OP, INTERNSHIP, WORK ABOARD
+ RESEARCH OPTION
+ INTERNATIONAL PLAN
+ REGENTS’ ENGINEERING TRANSFER PROGRAM

**BS/MS**

Start taking graduate courses in your senior year and earn both bachelor’s and master’s degrees in just one extra year.

**MS + PhD**

**CIVIL ENGINEERING**

**ENVIRONMENTAL ENGINEERING**

**ENGINEERING SCIENCE & MECHANICS**

**BIOENGINEERING**

**COMPUTATIONAL SCIENCE & ENGINEERING**

**OCEAN SCIENCE & ENGINEERING**

**Study abroad, on us**

with the Mundy Global Learning Endowment

$4M CEEatGT travel scholarship fund

$3K Average funding per student

6 continents + 60+ countries visited

280+ students funded (60+ just last year!)

64% of engineering undergrads study abroad

**Global Engineering Leadership Minor**

that offers major career benefits

Our new minor equips you to become a global citizen fluent in problem-solving, leadership, ethical decision-making, and the engineering grand challenges. BOGO: The minor also satisfies the requirements for the Grand Challenges Scholar Program!

**GEORGIA TECH**

*Welcome to one Helluva college experience.*

**No. 1** Corporate Recruiters Ranking for Engineering

**No. 1** Largest co-op program in the US

**No. 5** Annual in-state ROI in the US

**No. 8** Best Public Universities by Salary Potential

$824M R&D expenditures

60% of invention disclosures list a student

61% of students receive financial aid

220,000 ft² Learning Commons open 24/7/365

15,000 ft² fitness center

400+ student organizations

50+ Greek organizations

43 student sports clubs

400-acre campus

**ATLANTA**

*Your new backyard: The city in a forest.*

No. 1 US city for engineers

No. 1 busiest airport in the world

No. 2 US city for entrepreneurial activity

No. 3 US city with Fortune 500 companies

No. 4 America’s best cities for foodies

No. 9 Forbes’ best places for business & careers

No. 9 America’s most cultured cities

No. 14 Healthiest cities in America

No. 19 America’s greenest cities

No. 20 America’s best music cities
