We are Civil and Environmental Engineering at Georgia Tech

- creative realists who design at the intersection of people, nature and civilization.
- global citizens and pragmatic leaders improving the earth at our feet.
- entrepreneurs and strategists defining public policy and the future of sustainability.
- innovative optimists dedicated to solving problems and improving the human condition.

Since 1898, we are CEE at GT. Are you?

No. 2
Undergraduate civil engineering program

No. 4
Undergraduate environmental engineering program

No. 2
Graduate civil engineering program

No. 5
Graduate environmental engineering program

No. 5
Annual return on investment (in-state)

No. 8
Public university in the US

1 in 10
CEE at GT alumni serve as a company founder, CEO, or president

12,000+
Living alumni

1,109 students
43% women
20% minority
35% international
19:1 students-to-faculty
12 student organizations
$4M study abroad fund
10% job growth by 2026
90% undergraduate job placement rate upon graduation
97% freshmen retention rate across Georgia Tech

BE HAPPY: Engineers have the happiest job in the world, according to an analysis by The Guardian. It’s no wonder – every morning our graduates get to wake up and reshape communities here and abroad. From tech startups to Fortune 500s, medicine to law, NGOs to NASA, CEE at GT alumni are designing our future and making the world a better place.

Let’s talk options

**BS**

**CIVIL ENGINEERING** with optional tracks: Construction Engineering, Environmental and Water Systems, Geotechnical Systems, Structural Systems, or Transportation Systems

**ENVIRONMENTAL ENGINEERING**

+ CO-OP, INTERNSHIP, WORK ABOARD
+ RESEARCH OPTION
+ INTERNATIONAL PLAN
+ REGENTS’ ENGINEERING TRANSFER PROGRAM

**BS/MS**

Start taking graduate courses in your senior year and earn both bachelor’s and master’s degrees in just one extra year.

**MS + PhD**

**CIVIL ENGINEERING**

**ENVIRONMENTAL ENGINEERING**

**ENGINEERING SCIENCE & MECHANICS**

**BIOENGINEERING**

**COMPUTATIONAL SCIENCE & ENGINEERING**

**OCEAN SCIENCE & ENGINEERING**

**Study abroad, on us**

with the Mundy Global Learning Endowment

$4M CEEatGT travel scholarship fund

$3K Average funding per student

6 continents + 60+ countries visited

280+ students funded (60+ just last year!)

64% of engineering undergrads study abroad

**Global Engineering Leadership Minor**

that offers major career benefits

Our new minor equips you to become a global citizen fluent in problem-solving, leadership, ethical decision-making, and the engineering grand challenges. BOGO: The minor also satisfies the requirements for the Grand Challenges Scholar Program!

**GEORGIA TECH**

*Welcome to one Helluva college experience.*

**No. 1** Corporate Recruiters Ranking for Engineering

**No. 1** Largest co-op program in the US

**No. 5** Annual in-state ROI in the US

**No. 8** Best Public Universities by Salary Potential

$824M R&D expenditures

60% of invention disclosures list a student

61% of students receive financial aid

220,000 ft² Learning Commons open 24/7/365

15,000 ft² fitness center

400+ student organizations

50+ Greek organizations

43 student sports clubs

400-acre campus

**ATLANTA**

*Your new backyard: The city in a forest.*

**No. 1** US city for engineers

**No. 1** busiest airport in the world

**No. 2** US city for entrepreneurial activity

**No. 3** US city with Fortune 500 companies

**No. 4** America’s best cities for foodies

**No. 9** Forbes’ best places for business & careers

**No. 9** America’s most cultured cities

**No. 14** Healthiest cities in America

**No. 19** America’s greenest cities

**No. 20** America’s best music cities
